"Holiness: The Way of Life"
"We are all called to be Saints! Jesus commanded His disciples and us: "Be holy as your heavenly Father is holy." Some among the faithful are, however, specially gifted by God to respond heroically to the grace of God by following the Lord Jesus more closely--either as martyrs, that is, those who witness to Christ and faith in Him and die a violent death; or as confessors, that is, those who live all the Christian virtues each and every day and die to themselves and their selfishness so as to live in love for God and neighbor."

"NFP, Holiness, and the
Theology of Gift"

My goal is to provide depth and meaning to the role of natural family planning (NFP) in our baptismal call to holiness in marriage. Though not an end unto itself, NFP is a means to growing in holiness in the vocation of marriage.

Trinitarian of Mary Sisters will be in the adoration chapel throughout the program.

The Secret of John Paul II's
Success with Young

"What was the secret of Pope John Paul II's amazing success with young people across the globe? How can we make that success our own, as we try to pass on the treasure of the faith to our children and grandchildren? Come and find out, and be spiritually rejuvenated in the process!"
